SANTA CLARA HIGH SCHOOL

Santa Clara, California

Pride is not found among the ruins of our buildings. It is found within the minds of the students. Pride endures through the years and does not crumble as do plaster and bricks.

With the falling of the buildings of Santa Clara High, there is a steady rise in spirit. We take pride in our school and anticipation for the future captivates all. We work to reach perfection, and try to keep our enthusiasm growing. Santa Clara High School is beautiful, for beauty is in the eyes of the beholder. Santa Clara is, not was, and will **always** be here.

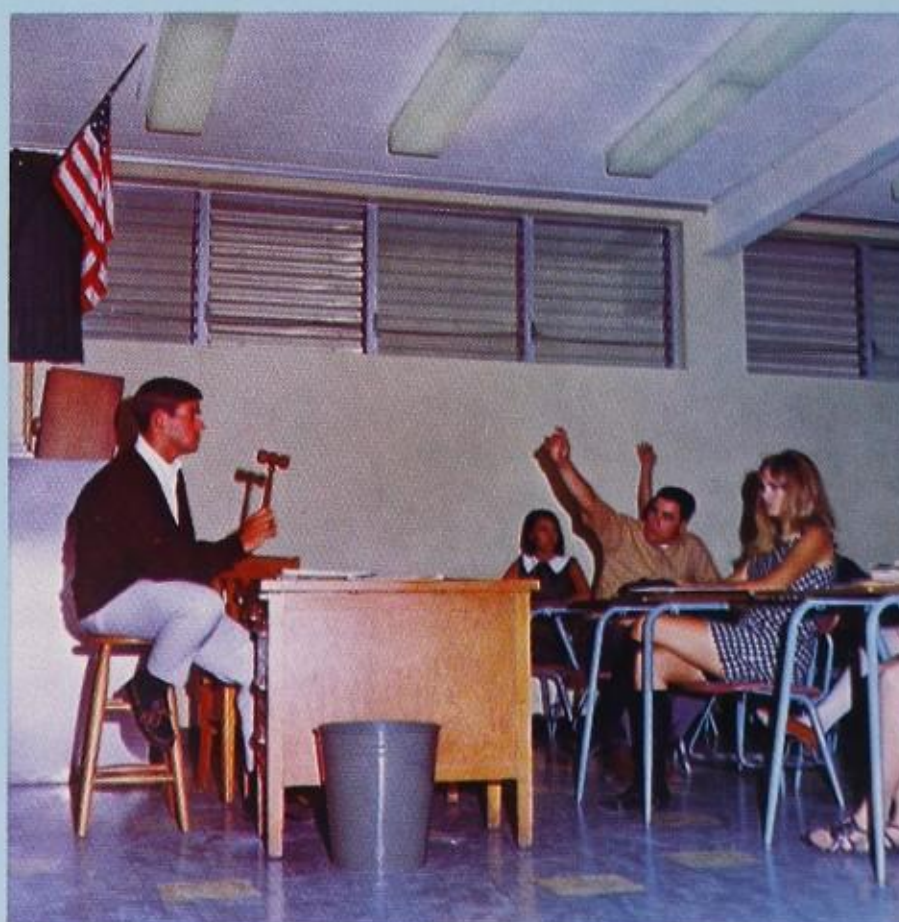

The antiquity of the remaining buildings only strengthens the pride we feel as students of Santa Clara High.

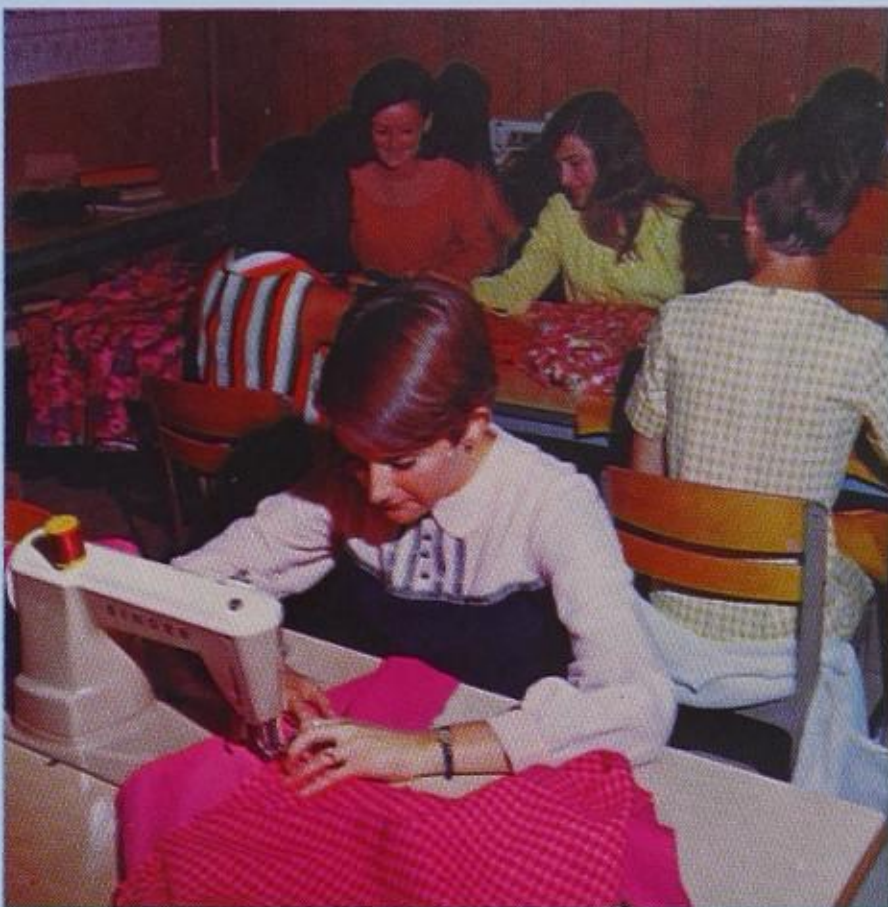

Chemistry students such as Kathy Burke work out experiments in the school lab.

Student body president Bill Thompson presides over weekly student council meetings. These meetings are open to all students, offering everyone a chance to see government in action.

ACADEMIC SCHEDULE IS BUSY AND VARIED

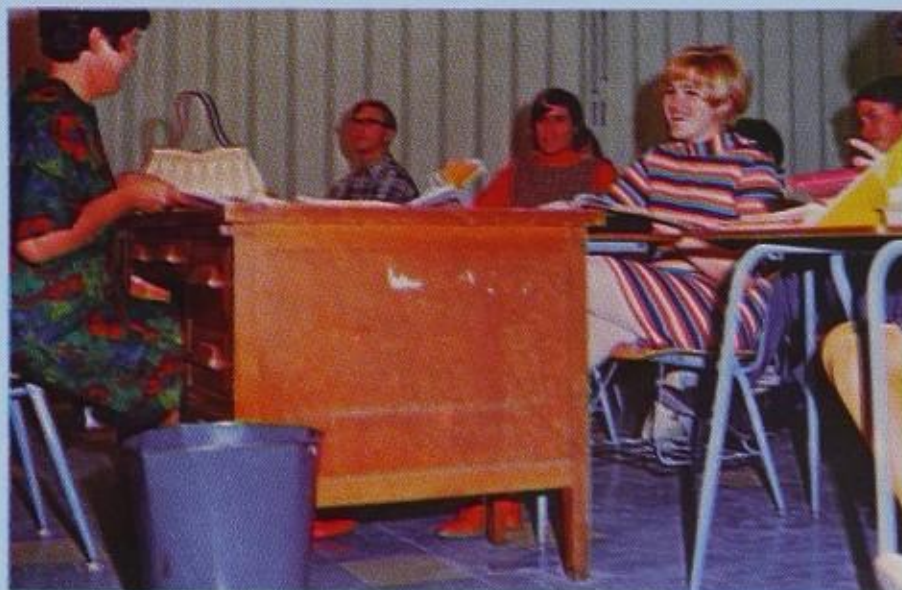

Santa Clara students express pride in education by taking an active part in classroom activities. Science, math, languages, and home economics are just a few of the subject areas in which students take part.

Joanne Espinola and classmates increase their wardrobes as they increase their sewing ability (above).

Hamlet is the topic of discussion in Mrs. Smith's senior English class (below).

Lunch provides students with a break between classes.

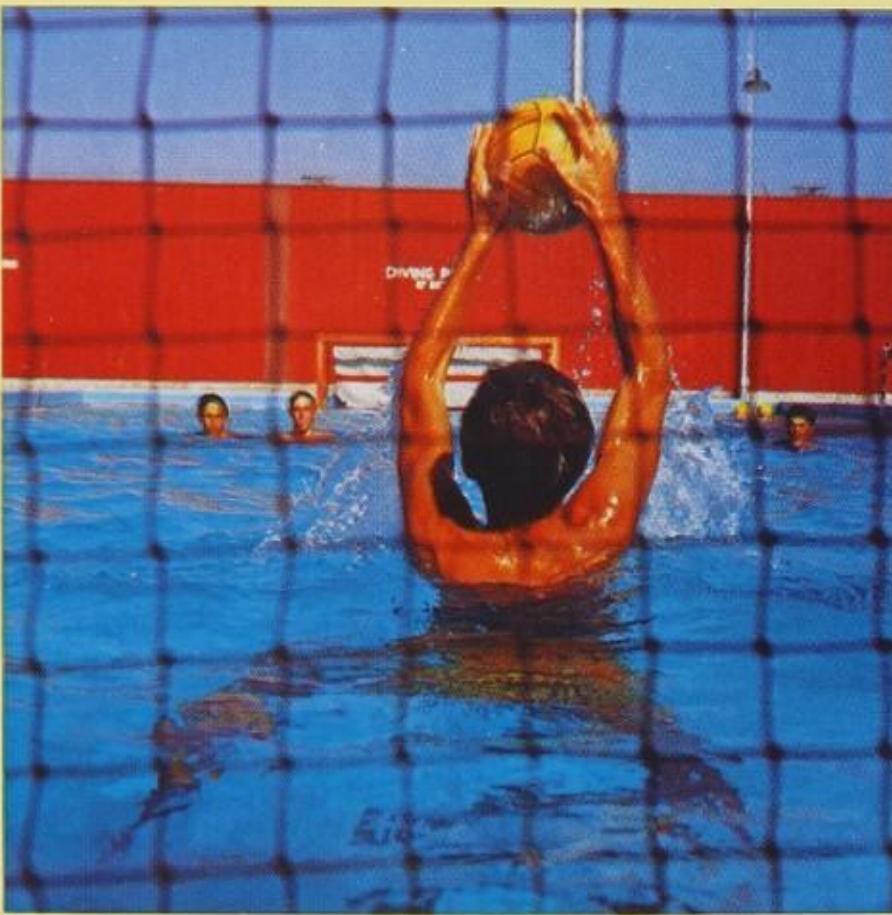

PRIDE IS PEOPLE ON THE CAMPUS

People make a school come to life; they create the laughter and they do the work. They teach and they learn. It is from the people that enthusiasm emerges—and it is with the people that one finds pride at Santa Clara High.

STUDENTS GAIN SKILL THROUGH PRACTICE

A school is only a building and a name until students work to make it a place of which they can be proud. Each day the Panthers bring prestige to Santa Clara.

Taking part in a club, participating in a sport, studying—all show that students take pride in their school.

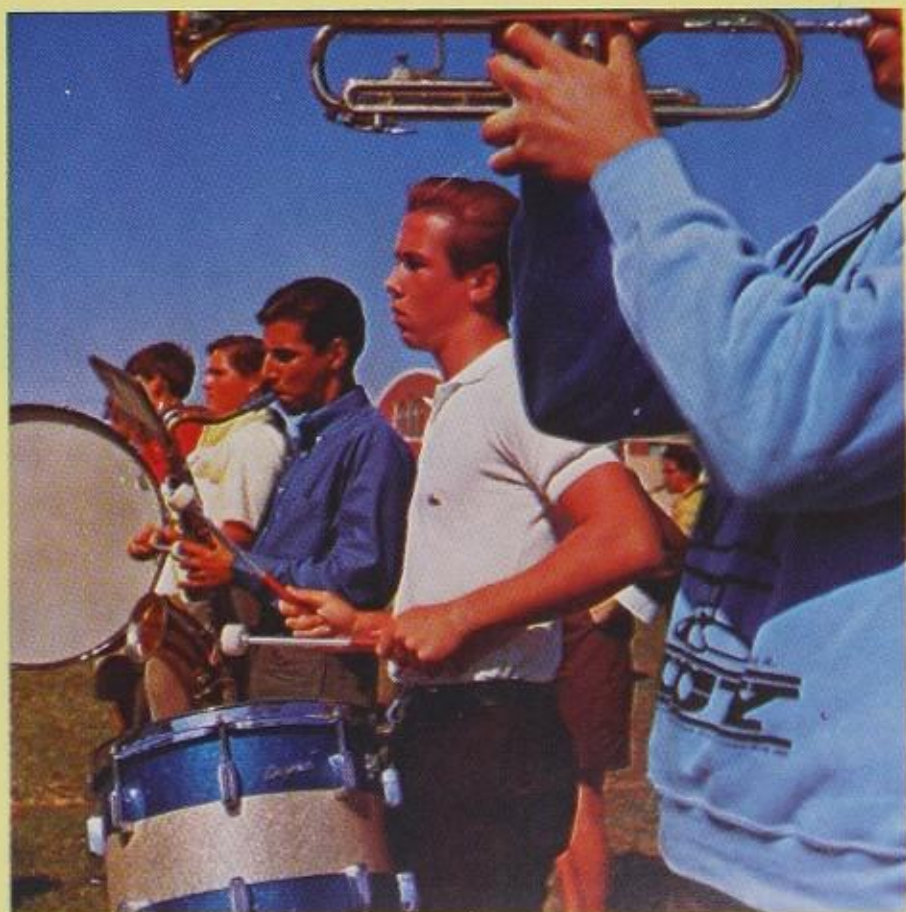

Pantherettes believe that, "practice makes perfect."

Whether it's practicing to make that extra yard at the next game, or playing the same song over and over until it's perfect, it's the many hours of work that makes one proud when the goal is finally reached.

RITY IN SENIORS

BACKWARD, TURN BACKWARD, OH TIME IN YOUR FLIGHT...

When we were Frosh, it was a very good year ...

CLASS OF 1968 ... sure sounds good, doesn't it? ... but it seemed like a long way off, back there in '65 when we entered those sacred gates as trembling Freshmen ... We were the babies then and no one would let us forget it ... We made friends fast by dancing our way into S.C.'s heart at the Freshman Reception given in our honor by the Sophomores

What a thrill it was to buy a student body card ... go to the night games ... and yell with the rest, "SC IS KING" ... Excitement hit the campus as our very first Class Elections came up ... Pat Galos took over the leadership of our new class with Cliff Henderson VP and Linda Chandler Secretary-Treasurer ... What a year ... Soon Homecoming sprang up to meet us head-on ... ribbons buttons, block sweaters, and activities filled our nights and days ... SC was alive and vibrant with action ... until ... Disaster ... we were defeated at the Big Game ... but came back with the faithful line "Wait till next year" ... Between the frenzy of life and the fright of finals we tried to study ... Who could forget Pip and

Great Expectations or Myths and Their Meanings ... Our first year rushed by leaving us more a part of SC with each day and hour ... by Easter Vacation we had about learned the way of things and were ready for the fast trip over the hill to Cruz ... Did we ever believe it would be so wild? ... It ended all too soon and once again it was back to the grind ... back to homework and tests ... The Class of '65 was finally beginning to make plans for their graduation ... We envied them getting out of school ... how little we knew ... our turn was coming faster than any of us could suspect ... The last week of school we were presented our first TOCSIN ... How great it all seemed ... Next year would be greater than ever ... we knew it had to be.

SOPHOMORES ... We had been promoted one notch and it sure felt good to get out from under the Seniors thumbs ... We knew our way around now and so just smiled when we saw a poor freshman ... Remember ... that was the year the girls took over ... We elected an all-girl executive board ... Linda Chandler, President, Nancy Lawton VP and Sue Souza, Secretary-Treasurer ... The upperclassmen laughed ... but we showed them by soon becoming strong in all we did ... We beat the Seniors at competition rallies and found we were developing into the best class SC had ever seen ... We did our homework ... at least, sometimes ... and swung into social action ... Football and Spirit Week was exasperating but exciting ... We beat Buchser and were awoken with the fact that we were KING ... that was the year we were awarded with our very own dance, the Basket-Ball ... Of course there was always studying to be done ... **Julius Caesar** and **The Tale of Two Cities** ... but the year disappeared ... We attended our second Nominating Convention and joined in the confusion there ... Again graduation surrounded us but we were on the outside ... TOCSINS were distributed and we set out to get as many autographs as possible ... and then there was summer.

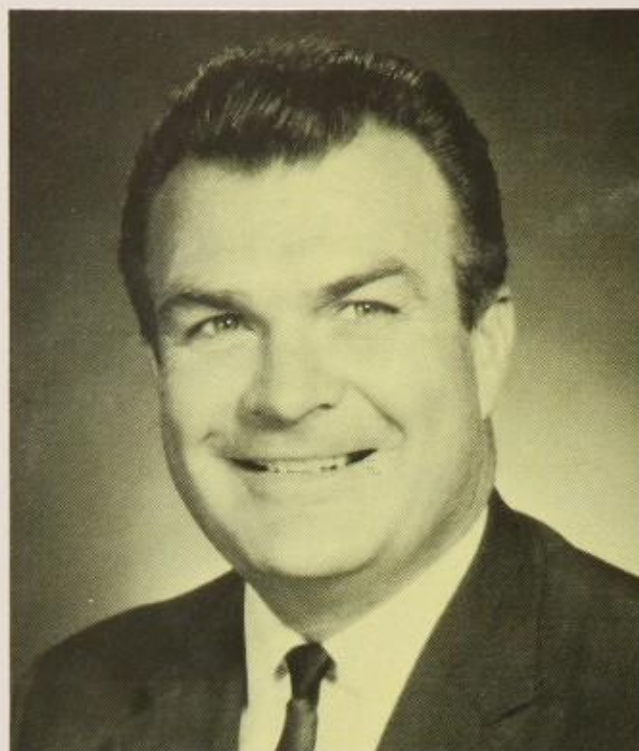

hi panthers, welcome to lhs

Wow! We finally made it ... Back from a long hot summer, we were now UPPER classmen ... Mighty **JUNIORS** ... Once again we went to the polls and elected Kevin McDonough, President, Jim Hidalgo, VP, and Sue Souza Secretary-Treasurer ... The year took on a new feeling ... Things were changing fast ... a rumor was circulating that the old building was going to be torn down ... and then—horrors ... the rumor became reality ... at a board meeting, attended by a capacity crowd (many of us were there) it was decided that students from SC would be put on split session with the Buchser Bruins ... We didn't like that very well ... but there was nothing we could do ... some cried, others argued and the alumni were filled with sentimental sorrow ... Remember the last day of school before the switch ... we stood around in the old main building and everything was quiet ... then the assembly and we sang the alma mater ... with a lump in our throats we said "Good-bye" to the grand old building ... Then—to Buchser ... It was different all-right ... but exciting! ... especially before the Big Game ... Spirit was high and after battering the Bruins we walked the campus as if we owned it ... Between all the changes, we frantically hit the books ... reading **Red Badge of Courage** or the one about the lady with the big red A ... and US History ... Back on our own campus we found that nothing was really too different ... except some funny little boxes had been put up behind the tennis courts and those boxes were to be our classrooms ... we began to make plans for our one big affair of the year ... the Junior Prom ... Held on April first it appropriately took the title "Spring Moments" ... it was praised as being one of the best in the history of SC High ... and we were proud ... between making flower trees in Sue Souza's kitchen ... and desperately decorating tables on Friday night ... we finished ... but turning on our beautifully expensive water fountain ... we found it leaked ... but it was a glorious night ... May disappeared ... and once again we watched our superiors, the class of '67 begin plans for graduation ... Midnight blue TOC-SINS embossed with the gold school seal, were presented to us after finals ... Thursday night as we watched many of our friends walk down the football field to become graduates ... we realized that soon we, too, would be graduating ... That summer, a few members of the class of '68 draped a loving sign over the front of the old building ... It read ... "Rest in Peace" ... and in a few weeks our building was gone ...

It was upon us ... our **SENIOR** year ... Bill Thompson, our new student body President, began the first day of school by reminding the student body that this year would be built on pride ... We had no building to show only the pride within us ... to prove SC was still KING ... a large hole had replaced our building ... but we remembered it wasn't the building but the students who make up the school ... We elected the last leaders of our class ... Don Peterson, President, Hendrick Houtkamp, VP, and Kathy Whitmore, Secretary-Treasurer ... Spirit was at an all-time high ... even though we did lose to Buchser at the Big Game ... as in our Frosh year we replied, "Wait until next year," ... but then suddenly realized ... we wouldn't be here next year ... Mr. Briare's office became the local hang-out ... with college entrance exams, scholarships, and everything piling down upon us ... it just couldn't be happening ... The Senior Executive Board was elected and, with the guidance of Mr. Holiday, began to plan for the most fantastic year of our lives ... Senior pictures were taken ... the snow trip was planned ... La Rinconada was picked for the Senior Ball ... and life was passing fast ... we were still at the studying role ... everyone taking Mr. Meyers psychology course in American Problems began to think they were crazy ... with finals out of the way we began to breathe again ... what a year ... Mr. Holliday began to get money signs in his eyes and we knew what time it was ... announcements, namecards, and all sorts of little goodies were ordered ... our social life was more active than ever ... the Senior Social ... then later the picnic and at last our last formal affair, the Senior Ball ... and soon June approached ... Graduation was held ... we saluted our leaders, our foreign exchange students, Hendrick, Gisela, and Sirpa ... we thanked Mr. Holliday and asked for refunds ... and applauded the patience of Mr. Briare, our loving counselor and guide ... it was really graduation night ... we sauntered down the football field to take our places on the platform ... Trembling, we received our diplomas and knew our high school days were over ... circling the field we took the hands of our many friends ... "Hail Santa Clara, we sing to thy praise" ... we look around use ... "Loud in thy honor our voices we raise" ... the old building was gone, the portables stood, "resting so peaceful and calm neath the sky" and now we are leaving ... "fondly we love thee" ... in a matter of minutes we would be attending the all-night party as alumni ... we were graduates ... "Our dear SC High" ... See Ya Round ...

SENIOR CLASS PICKS FACULTY FAVORITE

MR. VINCENT BRIARE
SENIOR COUNSELOR

Whenever a problem arose with schedules, teachers, or college entrance exams, he was there ready to help. His cheerful smile and jolly laugh, along with his buoyant personality made him popular with fellow faculty members and students alike. He was found at all senior activities, and helped to make his class one of the finest in the history of Santa Clara High. For all these reasons, and more, the CLASS OF '68 voted MR. VINCENT BRIARE Faculty Favorite. The seniors thank him for his guidance and cooperation in their four years and as graduates they will look back with fondness on the days at high school because of Mr. Briare.

I LIKE TO SEE A MAN PROUD OF THE PLACE IN WHICH HE LIVES AND SO LIVE THAT THE PLACE WILL BE PROUD OF HIM.

Dear Seniors,

This year has been filled with exciting events for me and I hope for you, too. I want to thank everyone who made this year the best one in my 18 years of life. The good relations among students and between students and teachers made it a pleasure to go to Santa Clara High.

Your hospitality and friendship have done a great deal to help international understanding and I sincerely hope more students can have the same opportunity that I have had. When I go back to Sweden I will have a wonderful memory of the happy senior year here with you. All your serious attempts to help me understand your problems and different ways of thinking have helped me to realize the difficulties you meet in life. When you go out into the adult world always remember Aldous Huxley's words: "Experience is not what happens to you, it is what you do with what happens to you".

Hendrik Houtkamp

Eleven months can go very quickly. Every day was filled with new experiences and impressions. I soon found out that people do not differ very much from each other, no matter where they live or what nationality they are. When I came over to the United States, I was a little bit scared that the people would always look at me as the "German" and not as "me". Fortunately, it changed soon, and I was known as "Muschi Whitmore".

I liked being at Santa Clara High School very much. Highlights during the year were the Powder Puff football games, in which I enjoyed the "fullback" position, the Christmas Dance, and Senior activities. The Senior Ball formed a dignified end of a wonderful year.

I'd like to say thank you to "Youth For Understanding", to the Whitmore family for treating me as one of their own, to the faculty and student body at S.C. High for the hospitality, warmth, and friendship.

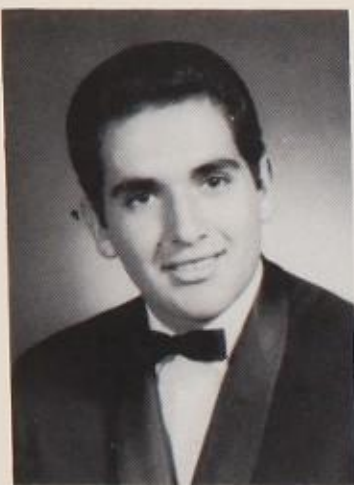

Auf Wiedersehen!
Gisela Blankmann

I came to America without any expectations, trying to be very impartial and as open to new experiences as possible. At first your big country confused me and made me scared. I felt like hiding. But later, when the language no longer trapped me and I was able to understand people, I began to learn new things about life and people. You have all been very friendly and nice to me. I want to thank everybody.

I feel free here. Finland is the country in which I was born and raised and I love it—its beautiful lakes and forests under the snow and cold sun of winter, or the pale and mystical midnight sun. But California's sun warms me with freedom and the sea brings the heart of life close to me. I shall go to Finland this summer, but I am coming back here.

THOSE HAVING TORCHES WILL PASS THEM ON TO OTHERS . . .

PLATO

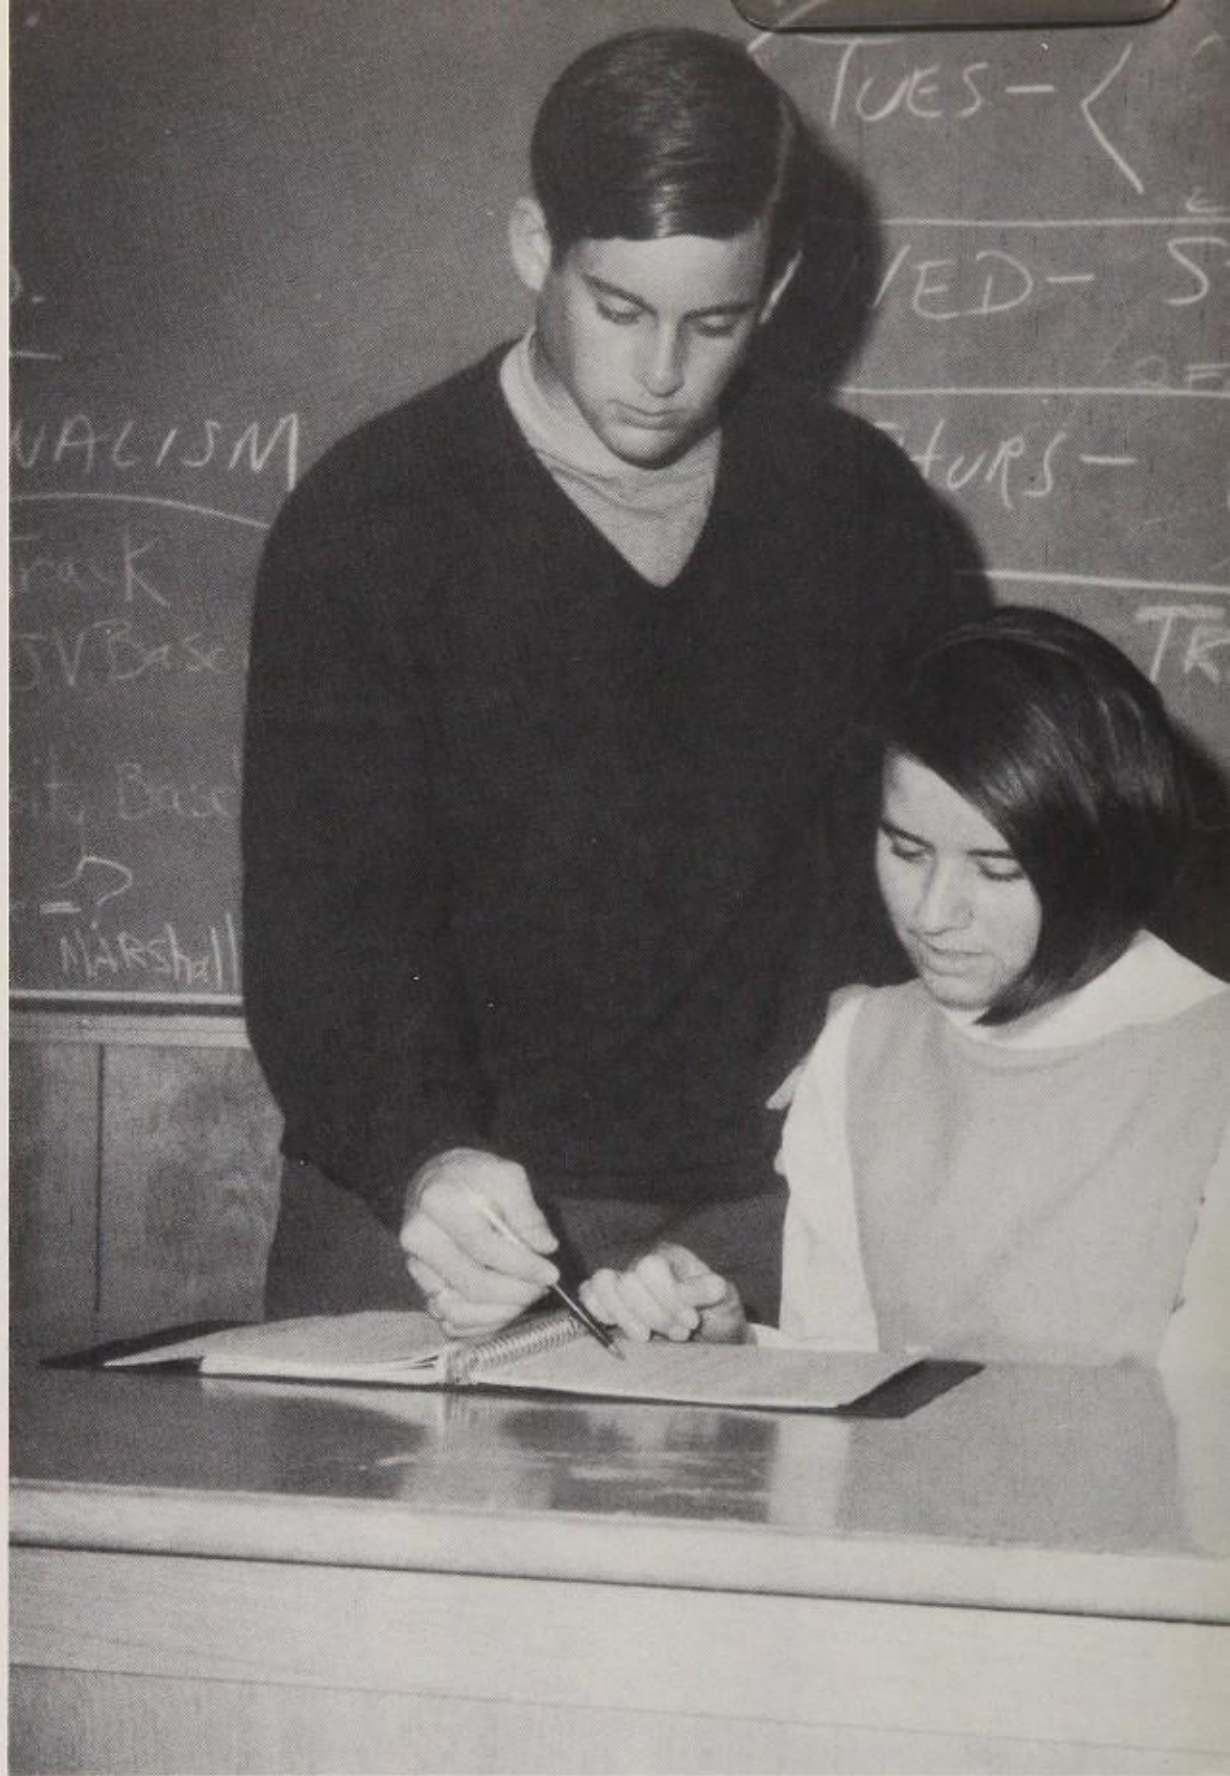

OUTSTANDING SENIORS SUE SOUZA AND BILL THOMPSON

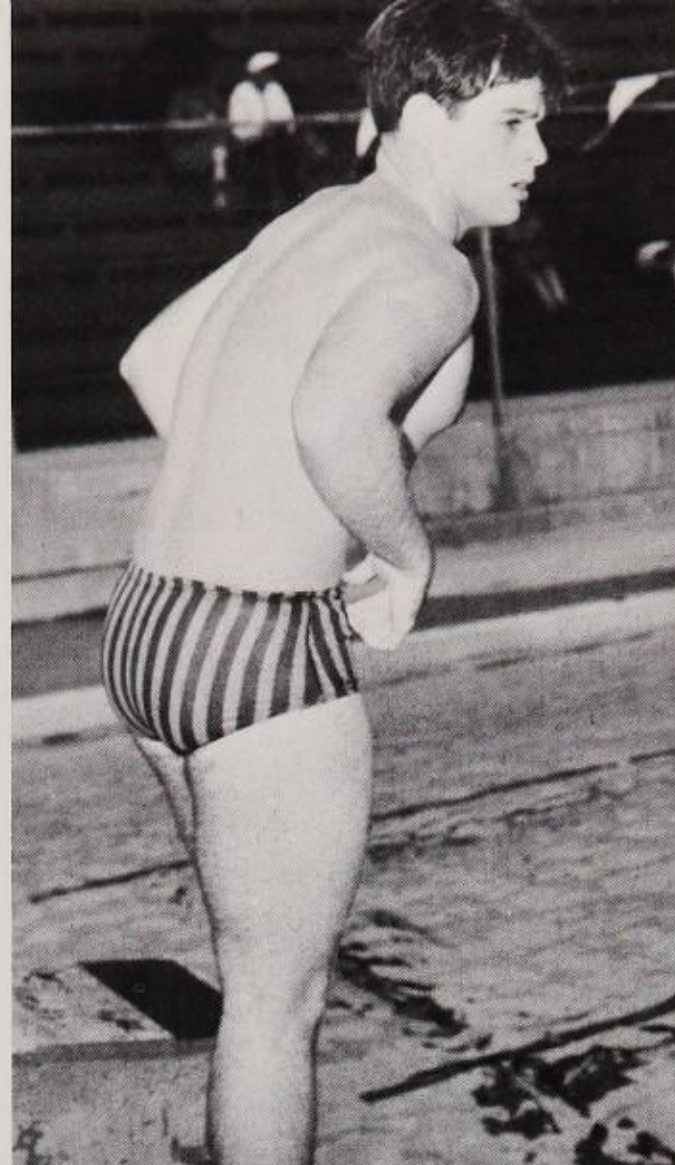

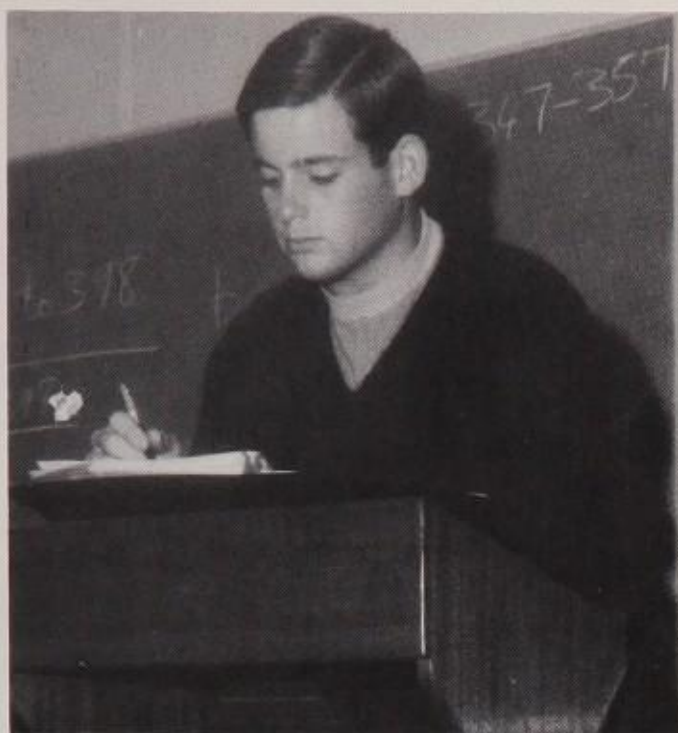

When entering high school as a timid freshman, SUE SOUZA set her mind to making SC a better school. Sue attended as many games as she could. Even though Sue had many extra curricular activities, she managed to keep up her grades, thus allowing her to become a member of CSF.

The following year, Sue ran for a class office. As the results came in, Sue became the new Sophomore class secretary. Sue was then given a place in Student Council. This set off her strong interest in student government.

Sue was also on the Inter Club Council and, as a Junior, was again elected secretary. To show that she had varied interests, she became active in both Spanish and Rally Clubs.

Sue, as a Senior was one of SC's most valuable Powder Puff team members. With all these things working for her, she topped off her spectacular senior year as A.S.B. Secretary.

BILL THOMPSON, this years outstanding senior boy, is an example of spirited participation. Bill's interests vary from sports, to clubs, to student government.

As a freshman, Bill joined the water-polo team. He continued to participate in water-polo throughout his high school days and added to that, swimming. Bill was, at first, a versatile swimmer, but in his Junior and Senior years settled down to the 200 and/or 400 Free Style.

Besides participating in sports, Bill also belonged to the two boys service clubs on campus. He joined and worked for both the Panther Knights and the Block SC.

Student government was more important to Bill than to a normal student, for Bill was elected student body president. As ASB president, Bill carried a big responsibility. He was head of the student council and in charge of all student council meetings and affairs.

After graduation, Bill is planning to attend Long Beach State where he will major in Industrial Arts. Although the saying goes "out-of-sight, out-of-mind," Bill's friends will not forget him. His friendliness and charm cannot be easily forgotten.

Whether it's Bill's humor and easy-going manner, or the way his friends jokingly refer to him as SC's "Fat Albert", Bill Thompson typifies the outstanding people of the Class of '68.

The MOST SPIRITED Seniors are PAM CAMPISI and GARY FERNANDEZ. Throughout their four years at S.C. High they have been active in various activities. Pam has been a member of Rally Club and Rally Council, as well as Panther Debs. She can be found at all sports events, especially the past year as Head Varsity Cheerleader. Gary, a varsity football and basketball player, exhibits his spirit at all rallies and games. He has been found in many disguises during skits at the rallies, and is best known for his high-stepping can-can. Pam and Gary are two who have helped keep spirit alive at Santa Clara.

KEVIN McDONOUGH and LINDA CHANDLER were selected as giving the MOST SERVICE TO THE CLASS OF '68. While Junior president, Kevin led the class to an all time high treasury and a fabulous Junior Prom. Linda began as the Freshman Secretary-Treasurer and the following year, as President, set the class on it's feet. Kevin and Linda are outstanding in leadership and deserve this honor.

Athletics plays a large part in the lives of Santa Clara's students, second only to scholastics. Besides being well-known for their skill, TRISH CIARI and JIM HIDALGO are also well-liked for their good nature, fair play, and great enthusiasm for sports in general. These have brought the award of MOST ATHLETIC ABILITY to them.

CAROL BOWMAN and DAN O'HEARN are proof that studying does pay off. Carol and Dan have both been members of CSF at SC. Dan has been active in the Chess Club and Carol proved her desire to help by running for Student Body Vice President. The Class of '68 is proud to have selected them as the MOST SCHOLASTIC.

Suave football quarterback RICH DeFILICE and striking red-head WILMA SALMONS are two seniors who help set the styles as BEST DRESSED of the Senior Class.

Wilma's smart wardrobe was largely designed and sewn by herself and her mother. She always adds the finishing touch with distinctive accessories.

Besides being well dressed, Rich is neat and well groomed. He is best known for his blue sports jackets.

Stunning ingenue **MARIANNE CABRAL** and handsome **GARY BROOKS** were selected as the **MOST ATTRACTIVE** Senior girl and boy. Marianne reigned over the Junior Prom and was selected as first runner-up to Homecoming Queen. Gary's boyish grin reflecting his over all charm would appeal to any girl.

Vivacious and alive are the Senior **CLASS COMICS**—**FRANK D'AMBROSIO** and **APRIL FLUMERFELT**. They are never seen without smiles and can turn the dulllest moments into exciting fun. Their energy and enthusiasm have won them many friends and good times while attending Santa Clara High.

Versatility often comes in handy as **PHIL COMER** and **LYNN YATES**, the **MOST VERSATILE** couple, have discovered in their four all 'round years at S.C. Lynn is active in the Stage Door Club (president) is editor of the *Hi-Times*, a CSF member and a majorette. Phil, Mr. Music, is Santa Clara's drum major. He is, also, a part of the Pep Band and orchestra, plus having his own rock band. The seniors appreciate the contribution these two have made.

A MAN'S REACH SHOULD EXCEED HIS GRASP, OR WHAT'S A HEAVEN FOR?

ROBERT BROWNING

As the two **MOST TALENTED** seniors **CHARLES CRAMER** and **NANCY LAWTON** truly display their talents. Whenever a sign or poster is needed, Nancy's distinct printing and art work is called upon. Charles, who plays various instruments, is the star of the Music Department. Charles also plays in the band, orchestra and sings in the choir.

MARK SPITZ and **ELAINE BOOTH** are truly going places, as signified by their selection as **MOST LIKELY TO SUCCEED**. Elaine, a member of CSF, was elected Homecoming Queen and with her out-going personality will attain the success she desires. Mark's goal is to swim for the United States in the Olympics. His success in swimming is beyond praise and he is likely to travel far.

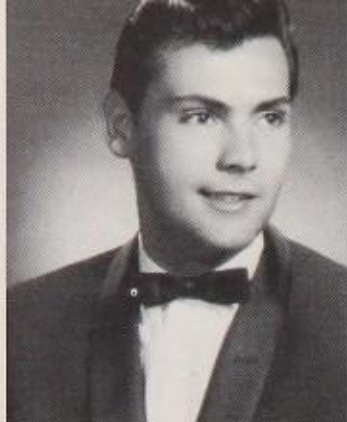

TOM RATHJEN'S quick smile and **JEANNIE INNOCENTI'S** sweet hello make new and old students alike feel quite at home. Tom and Jeannie's outstanding friendliness bestowed on them the title of **BEST PERSONALITY**.

PROFS AND GRADS

Bonnie and Clyde??

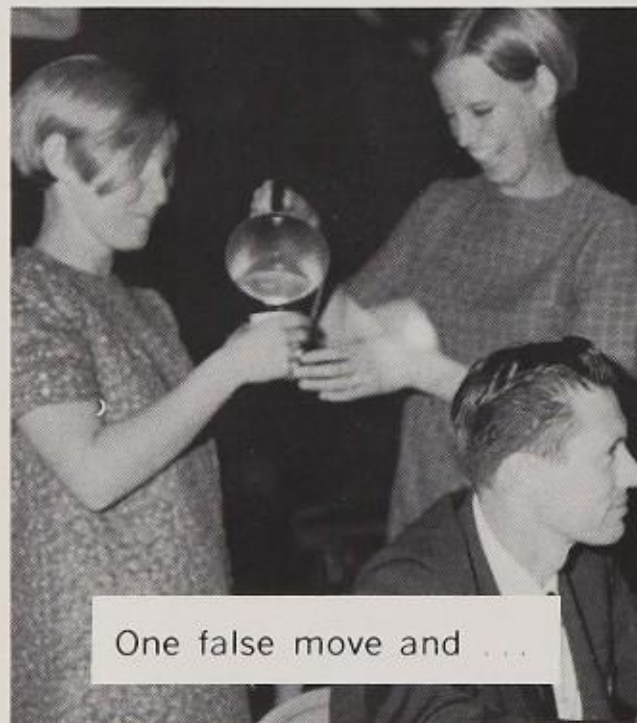

How about a Kennedy-Johnson ticket?

Did you hear the one about ...

Queen for day???

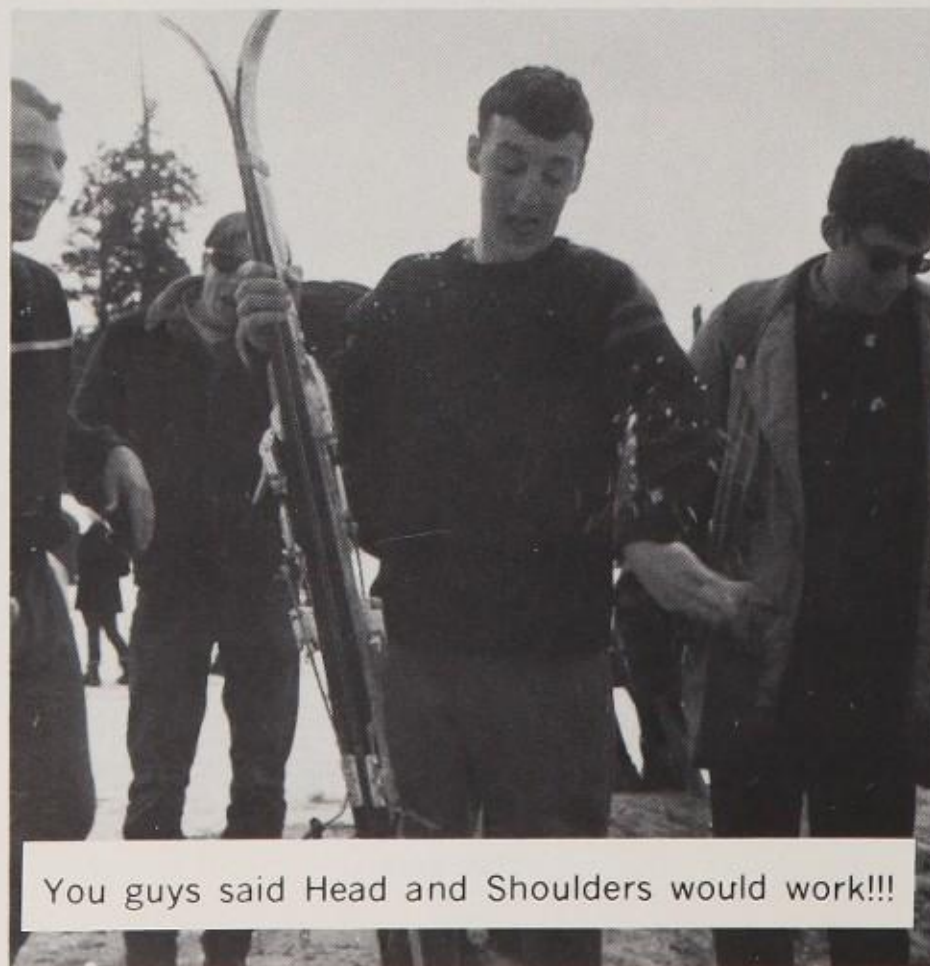

One false move and ...

B.B.B.RO ... A.A.A.DS ...
GO BROADS ...

Did someone say a snowball fight?

You guys said Head and Shoulders would work!!!

Even my best friends won't tell me.

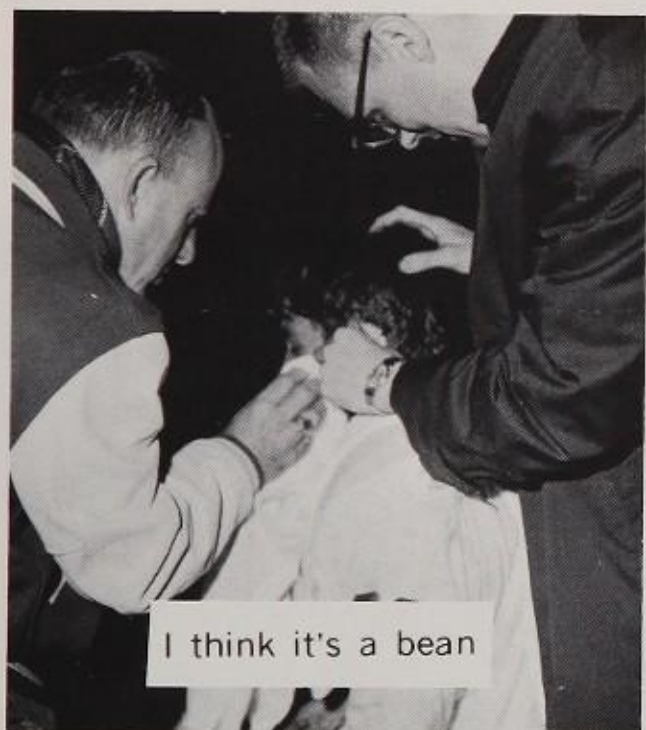

TAKE FIVE . . .

See, Kathy, I told you chocolate covered ants were good.

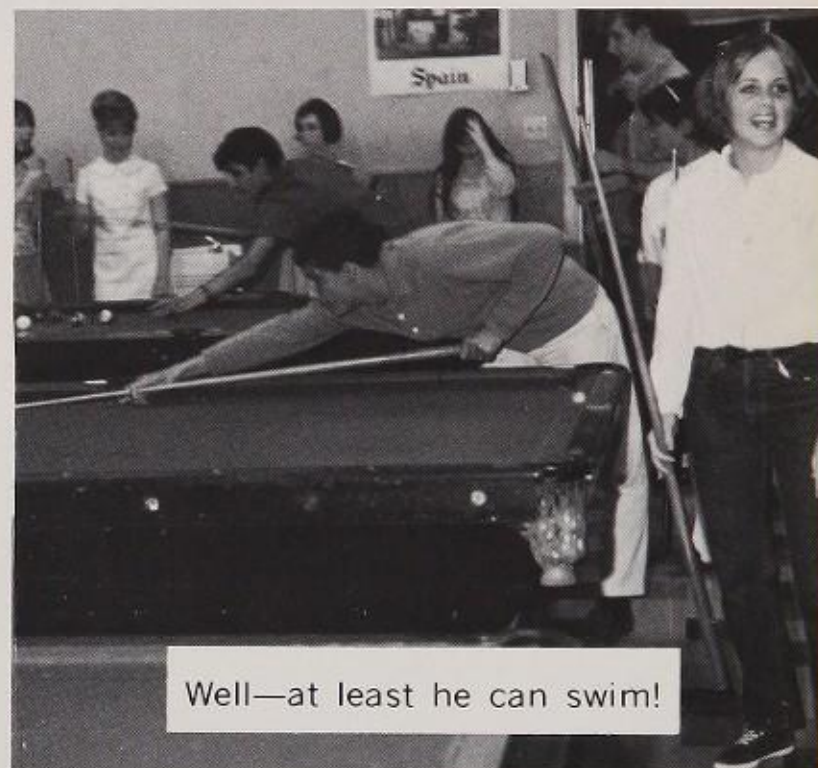

Ahhh—alone, at last!

I think it's a bean

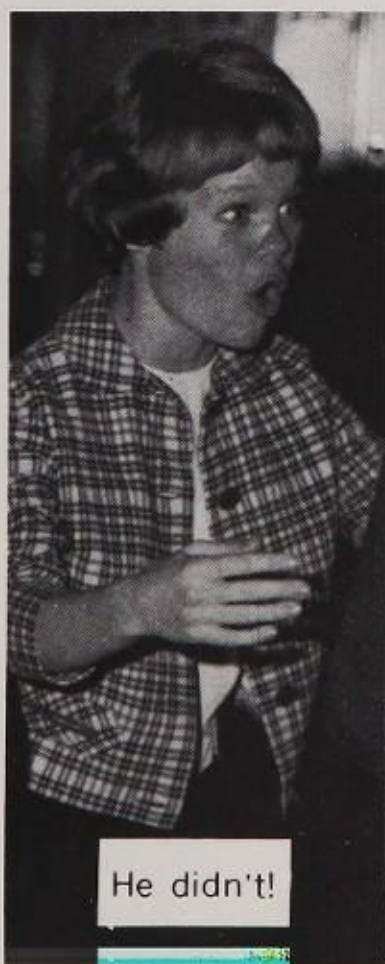

1,2,3—and 1,2,3—and 1,2,3

Well—at least he can swim!

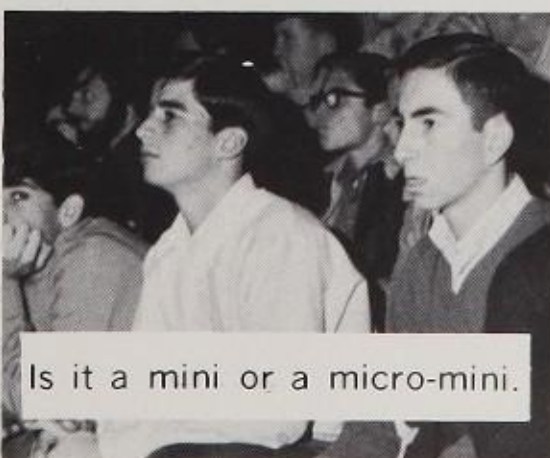

Faithful to the end.

He didn't!

Ah—true love.

Is it a mini or a micro-mini.

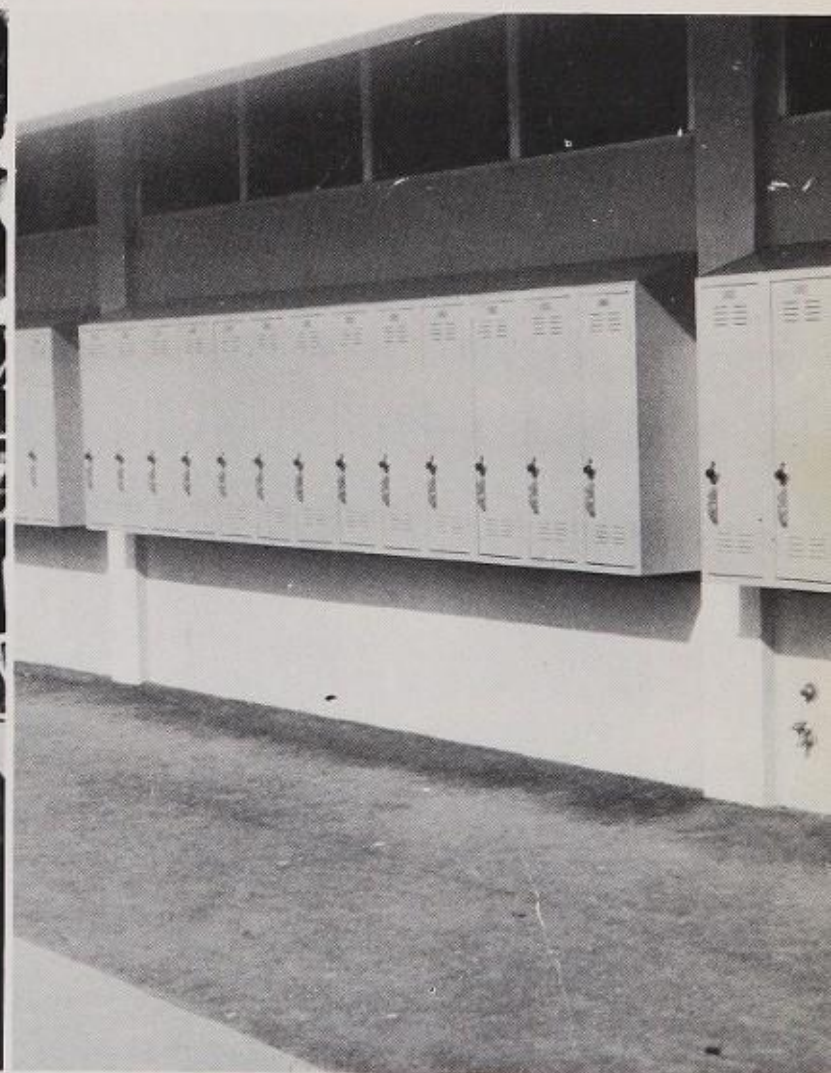

Oh, Mr. Briare, I didn't know you cared.

FROSH RECEPTION KICKS OFF NEW SCHOOL YEAR

Jim Hidalgo and Linda Meyer swing at the School Year's opening Dance.

"Happening" scene as Nazereth Blues Band plays at the Frosh Reception.

Kim Huber gets dubious looks as she dances at the reception.

DATING GAME PREMIERES AT SC FALL RALLY

Host Jim DeRoy (Top Left) tells contestant Olga Sepulveda the rules of the Dating Game. Bachelor No. 1, Bill Thompson, does not succeed in making the date but is satisfied with a kiss (center). Lucky Bachelor No. 2, Frank D'Ambrosio shows his appreciation by giving lovely (?) Olga a flower. (Bottom Left)

POWDER PUFF TEAM TAKES CITY CROWN

Santa Clara's first girls' flag football team was formed during the fall under the guidance of John Vierra and Tom Rathjen. Tying Buchser, 6-6, and trouncing Wilcox, 20-0, the Pantherettes captured the city crown.

FACULTY MUDDIES SENIORS IN FIRST TUG-O-WAR

The senior boys versus faculty Tug-o-war was the fun event of the fall. It was a mess ... it was a fun mess! P.S. It was also won by the much heavier faculty.

Seeing all that glorious mud going to waste while awaiting the Tug-o-war, senior Sue Hansen reverted to her childhood days and became the campus mud pie making queen.

"CHRISTMAS ENCHANTMENT" DELIGHTED ALL

Linda Loza enjoyed the music of "The New Life", but Terri Silva was preoccupied with other matters.

Gisela Blankmann added her own German variations to the Skate and the Bugaloo.

Some couples chatted while others took advantage of the dance floor.

"I've never seen her before in my life!"

Chris and Steve enjoyed themselves immensely.

"Music Man" Duane Garton led his orchestra in a highlight of the annual "Pops Concert".

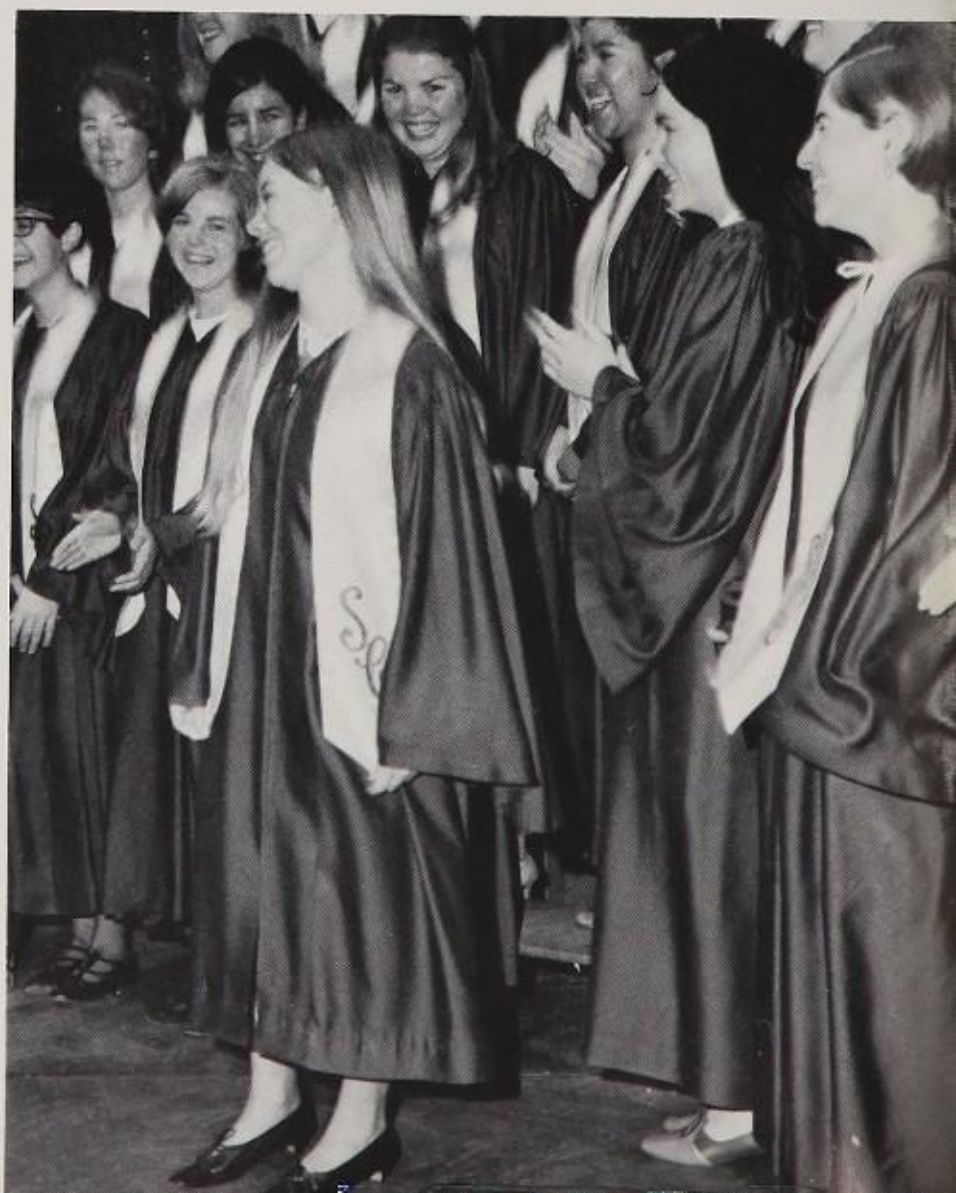

Drummer Steve Marley, Chuck Cali and Steve Bayard (above) rendered "It's Up to Us."

Shellie West (right) was at her best during solo.

Laura Garton (far right) sent choir into hysterics following her imitation of the sound of the railroad.

The mouse roared during rehearsal for the spring play.

THE FINE ARTS HIT S. C. CAMPUS

A large cast worked long hours after school in preparation for "The Mouse That Roared."

Mr. David Borrer daily supervised the efforts of his budding thespians.

GYM SET THE STAGE FOR HICK DANCE— 'BAREFOOT IN BARNYARD'

At times it looked like
there might be a demon-
stration in the barnyard.

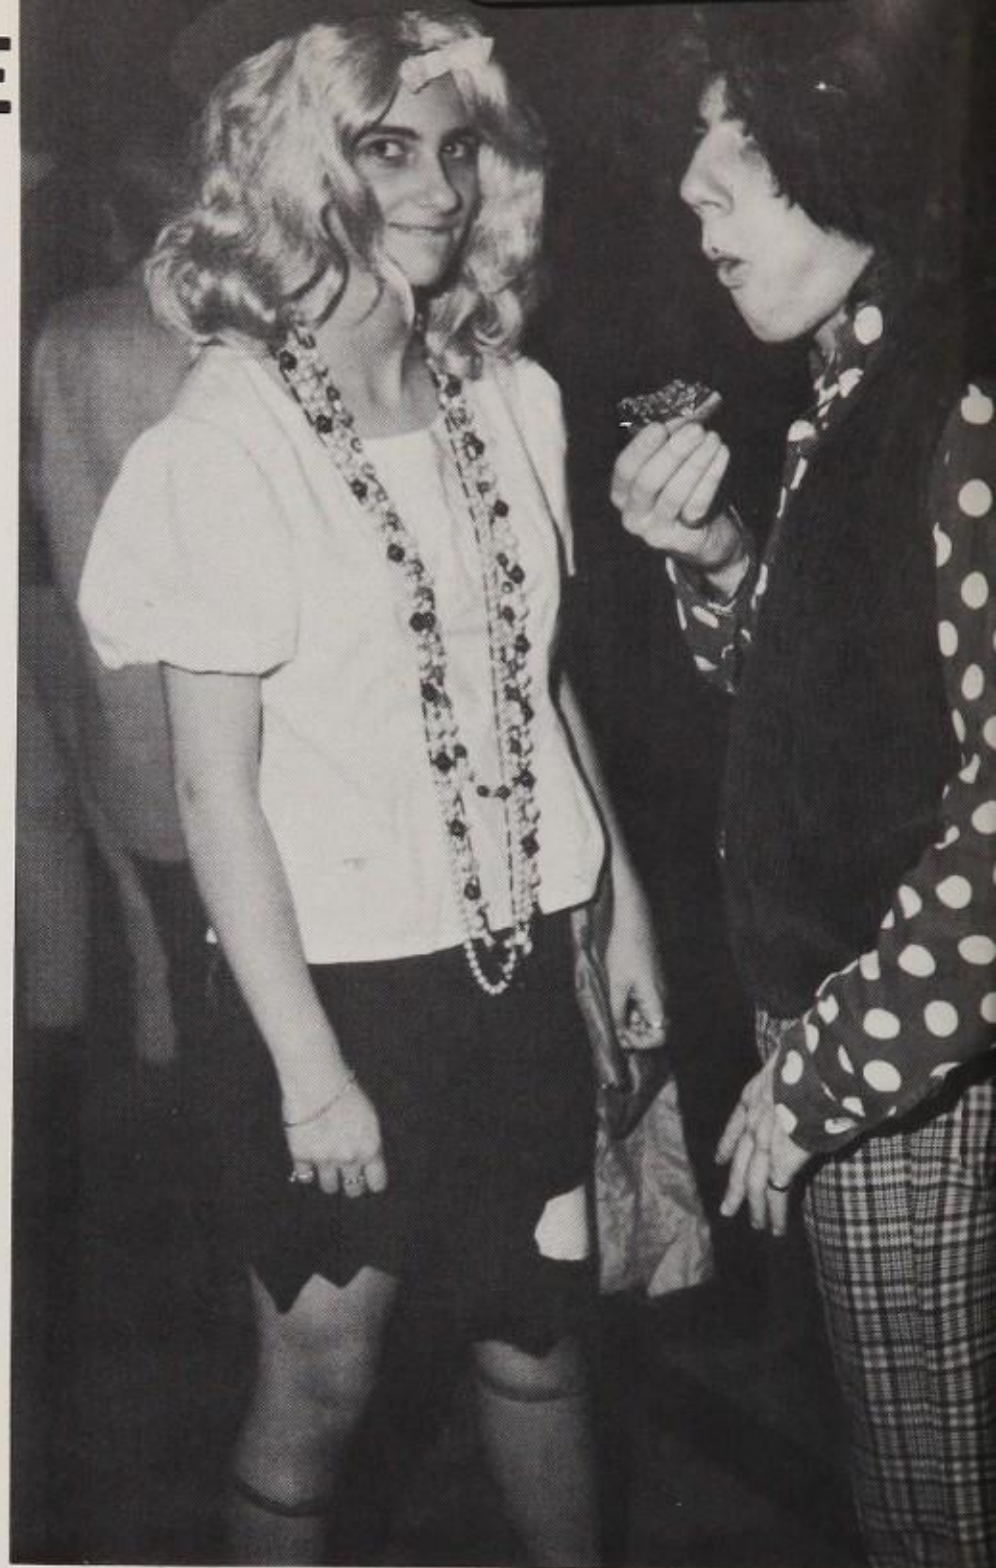

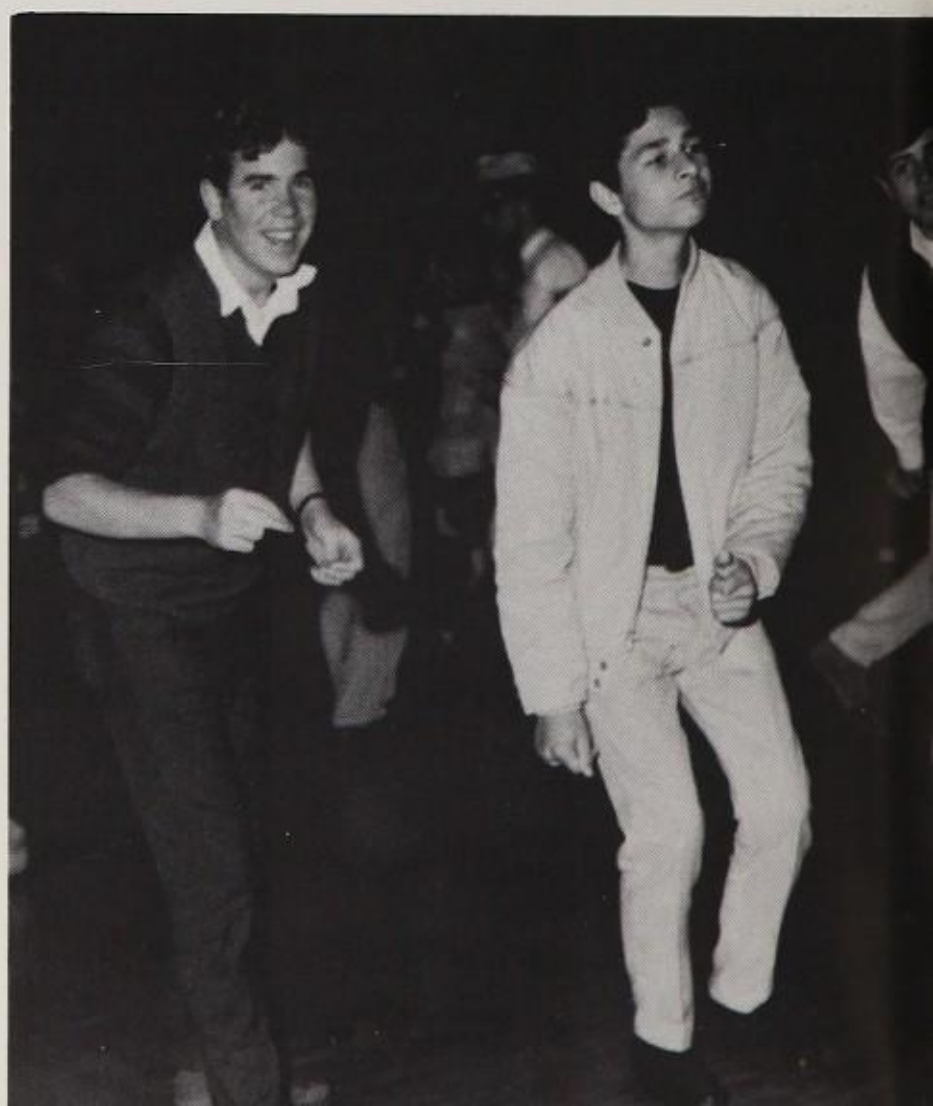

Guests paused for a coke break.

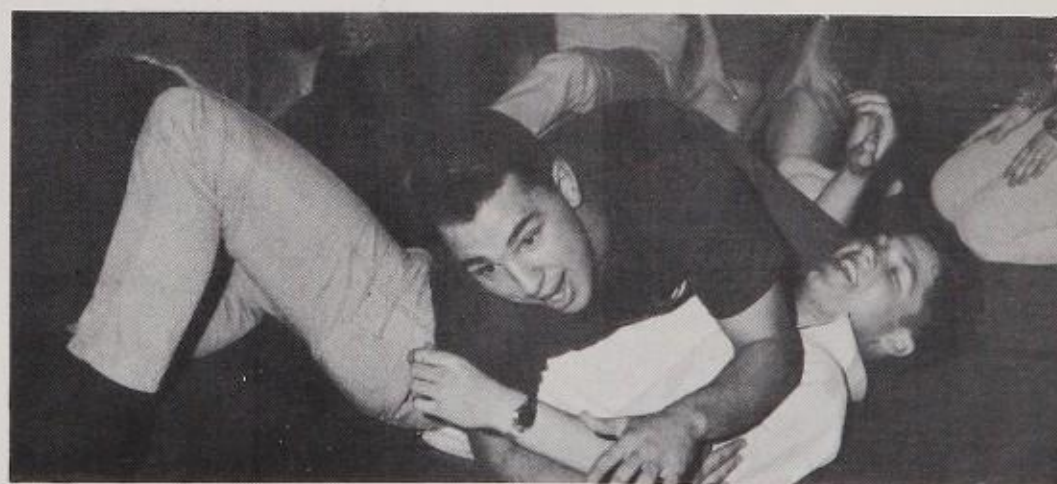

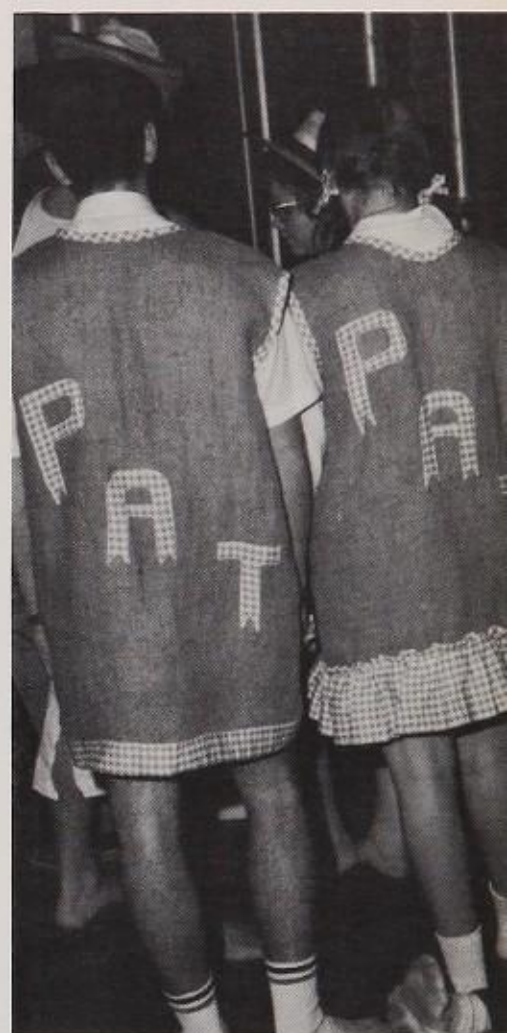

Tarheel Roger Marsh
came decked out in true
"southern" finery.

Mark Dunn and Tom
Mohammeds (far right)
couldn't resist the music
of "The Chosen Few".

The annual Hick Dance was held on Valentine's Day in the boy's gym. It was a classic "sock-attired" affair that proved more than a normal success. Even lads without "dates" appeared to have fun wrestling on the floor. Some couples exhibited their close tie in "look-alike" array.

King Willie Damkroger and his date rest from the energetic dancing.

ROYALTY CROWNED AT JUNIOR PROM VICKI AND MIKE

Red roses for a lovely lady.

Couples dance in the romantic setting of pillars and ivy.

SPLENDOR OF ATHENS

After much work and many hours, the cafeteria was transformed into a lovely Athenian setting. "Splendor of Athens", the Junior Prom, was held on May 23rd. Beautifully decorated with ivy covered pillars and a colored fountain, the prom proved a great affair for all who attended.

While many spent the evening socializing, others danced to the music of the Fritz Rabyne Memorial Band. The highlight of the evening, however, was the crowning of the queen and king, Vicki Briganti and Mike Barcells. The court consisted of Kathy Burke, Chris Johnson, Tim Royer and Phil Vogt.

Fritz Rabyne Memorial Band set the music pace.

While others danced, many couples spent their time conversing.

Whether dancing fast or slow, couples were always found on the dance floor.

Juniors and dates enjoy the "Splendor of Athens" and

Chris Sebert and Pat Van Mullen dance to the rhythm of a colored fountain.

Mrs. Vincent Briare comforts her husband following a snowball battle (top) while Toni Zandol looks dubious as Pat Schmidt prepares to take off on the giant slalom. Even in the now country the Panthers huddled together. (top—left), Gary Fernandez sports a chocolate cigar (center—left) while a group refreshes itself at Hidden Valley Lodge (bottom—left).

Linda Chandler appears about to be sacrificed (top) while Dennis Cathey gets a helpful shove (above) and a faceful of snow (right). Some forty members of the senior class spent a pleasant February 23-24 at Heavenly Valley near Lake Tahoe.

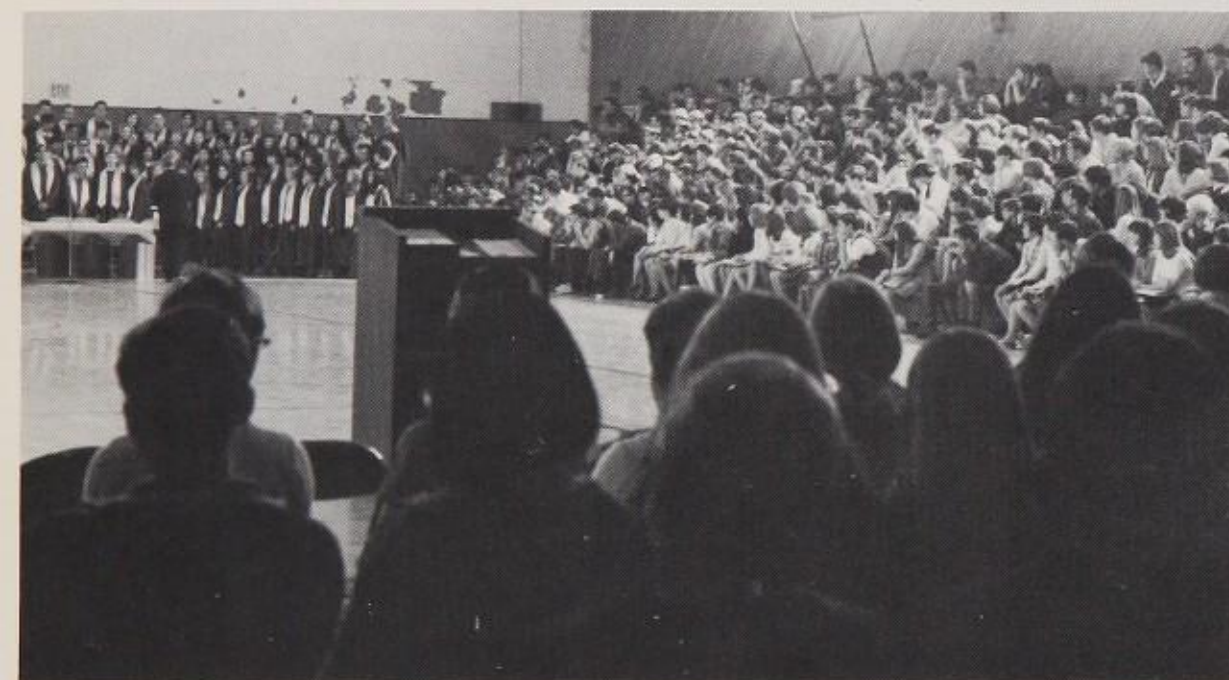

SENIORS PUT ON TOP SNOW JOB

SEAL BEARERS, CHOIR HONORED AT AWARDS ASSEMBLY

Senior sealbearers and other members of CSF await the award presentations.

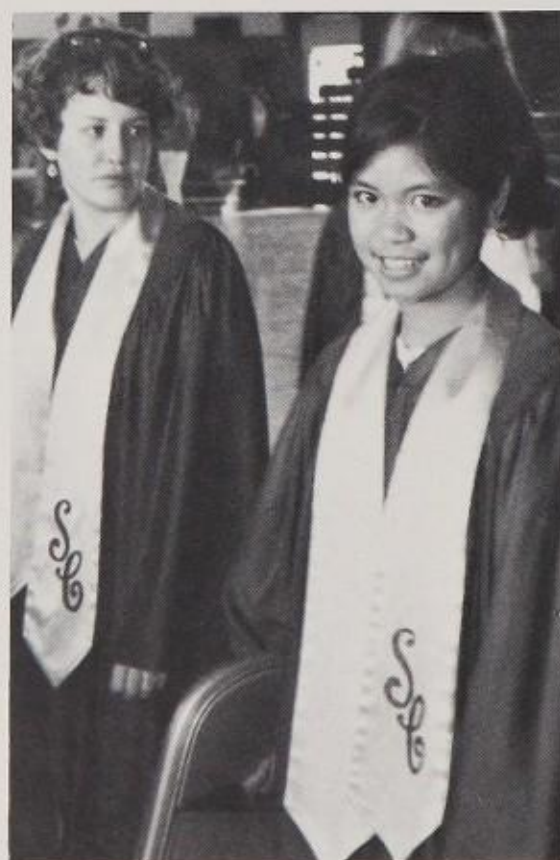

Students had the privilege of hearing the choir perform some of the songs from the Annual Pops Concert.

Chief of Police Frank Sapena congratulated the student body for the outstanding job they did FOR Project Santa.

Mrs. Fred View presented a plaque to Mr. Fiore in honor of the community service done by the students of SCH during the Christmas season for Project Santa.

Soloists beamed at applause following their numbers.

Even faculty members enjoyed the assorted assembly.

PANTHER FACULTY DOWNS BUCHSER IN MAD SCRAMBLE

Mr. Gwartney battles Santa Clara Mayor Gary Gillmor for rebound in closely fought contest won by Panther Profs, 59-57.

Mad scramble for the ball leaves Mr. Webb in his customary playing position on the floor.

Mr. Meyer demonstrates his background with Harlem Clowns as he balances ball on one finger.

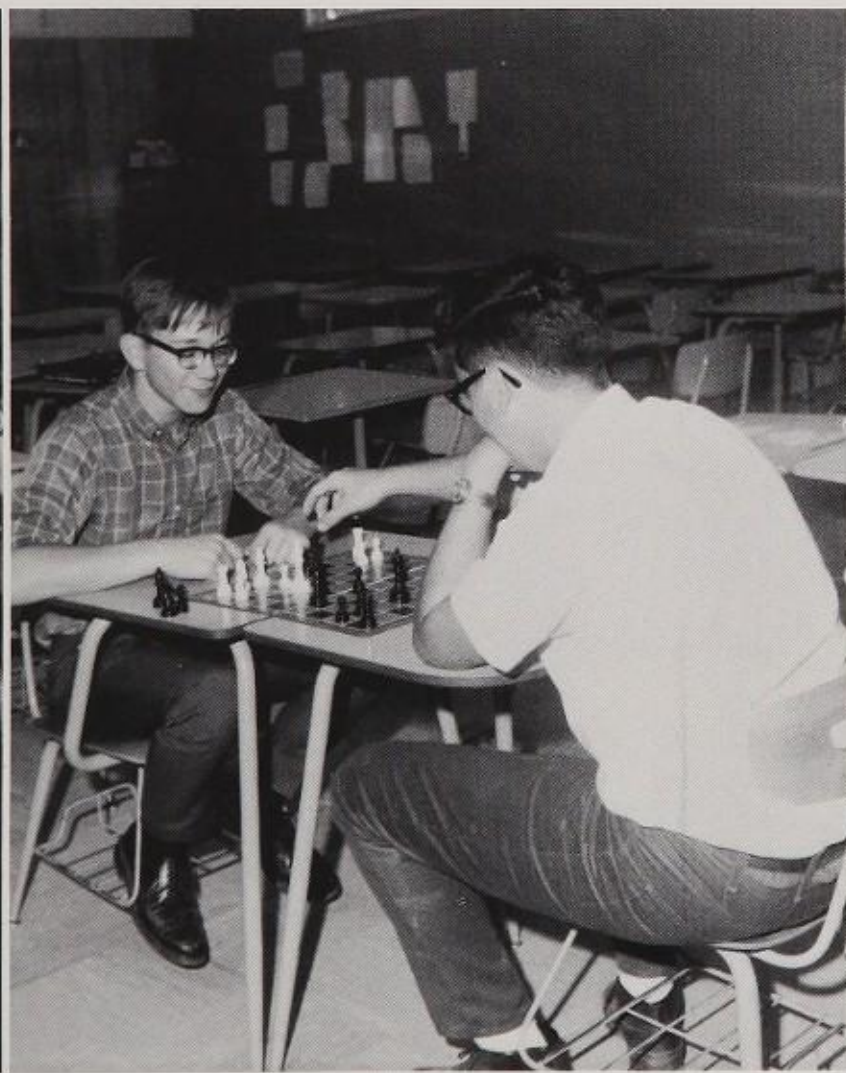

Mr. Axline lofts two points (above) while former Santa Clara High athletic star Ronnie Fernandez looks on in dismay from behind the Panther bench. (left).
